It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.

Essential Qualifications

- Current certificate of registration with the College of Nurses of Ontario
- Minimum of two years recent experience in the care of the elderly and/or younger physically challenged adults
- Valid CPR certificate
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Proficiency and experience in pharmacology and medication administration
- Recent experience with catheter injections, irrigations, sub q and IM injections, and G-tube care maintenance
- Understanding of and recent and relevant experience in use of asepsis
- Demonstrated effective communication, interpersonal, organization, and leadership skills
- Demonstrated ability to work in a team environment
- A criminal reference check completed within the last six (6) months from a Canadian Police Information Centre (CPIC), inclusive of vulnerable sector screening, will be required of the successful candidate

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated. Only those under consideration will be contacted.
