| Registered Nurse, Mount Hope - 2 positions | Posting #: 46302 |
| Mount Hope | Posting Date: October 12, 2021 |
| Mount Hope Centre for Long Term Care - London, ON | Submission Deadline: October 18, 2021 |
| Regular Part Time | Greg Evens, Human Resources |
| ONA | |

It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.

Essential Qualifications

- Current registration with the College of Nurses of Ontario
- Valid CPR certificate
- Two years recent experience in the last three years in the care of the elderly and/or younger physically challenged adults
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Ability and commitment to act as a supervisor under OHSA
- Well developed assessment, consultative, practice and evaluation skills in the care of long term care residents
- Demonstrated effective communication, collaborative and interpersonal skills as part of an interdisciplinary team
- Demonstrated leadership skills in the initiation, coordination of and participation in team/family conferences and clinical activities
- Experience in the development of teaching materials and the teaching of residents, family and caregivers, both professional and non-professional
- A criminal reference check completed within the last six (6) months from a Canadian Police Information Centre (CPIC), inclusive of vulnerable sector screening, will be required of the successful candidate

Preferred Qualifications

- Proficiency in French would be an asset
- Experience in the preceptor role

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine or proof of one dose and a signed commitment to receive a second dose within a specified timeframe, and a written commitment to follow any future Public Health recommendations and St. Joseph's Health Care London policies and processes related to Covid management in the workplace
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated. Only those under consideration will be contacted.
