REPOSTED

It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.

The Millwright reports to the Facilities Engineering Coordinator. In this role you will work with the Facilities Management Team to install, maintain, troubleshoot and repair building machinery and mechanical equipment throughout our facilities.

Essential Qualifications

- Current Certificate of Qualification as a Construction Millwright or as an Industrial Mechanic Millwright in the Province of Ontario
- Ontario Secondary School Diploma, or recognized equivalent by the Province of Ontario
- Successful completion of a Mechanical Comprehension Test
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Minimum three (3) years demonstrated related experience
- Demonstrated experience in a customer-oriented environment
- Demonstrated effective organizational skills
- Demonstrated effective collaborative, interpersonal, and communication skills
- Demonstrated ability to work effectively on a team as well as independently
- Must be capable of meeting the physical demands required to perform the essential duties of the classification

Preferred Qualifications

- Previous work experience within a healthcare environment
- HVAC Certification (e.g. SMT, BES)
- Why Join Us: <https://ca.indeed.com/cmp/St.-Joseph's-Health-Care-London/about>

Teaching and Research

- St Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St Joseph's you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine and a written commitment to follow any future Public Health recommendations and St. Joseph's Health Care London policies and processes related to Covid management in the workplace.
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated. Only those under consideration will be contacted.
