As a Quality Control Associate within the Warehouse Team, you will be responsible for slotting of locations, dimensions and weights of inventory, investigating discrepancies, cycle counting stock, root cause analysis of quality gaps, and audits of dispositioned inventory. This will ensure that the warehouse is running effectively and that orders are shipped to satisfy all customer requirements.

Essential Qualifications

- Ontario Secondary School Diploma or equivalent as recognized by the province of Ontario plus successful completion of a post-secondary one- or two-year specialized business-related certificate program
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Strong interpersonal skills with a demonstrated customer service focus and ability to develop positive relationships
- Excellent written and verbal communication skills
- Demonstrated computer experience, particularly working with computerized purchasing, accounts payable and inventory management systems
- Proficient Microsoft Office Skills
- Excellent organizational skills
- Ability to work independently and function as part of a team
- Shows initiative

Preferred Qualifications

- Graduate of a recognized Post-Secondary School Diploma in a business-related field
- APICS, 6 Sigma, or PLog certifications
- Smart Sheet Skills

Immunization Requirements

- Provide documentation you have received two doses of the COVID-19 vaccine (primary series, boosters and/or XBB) OR one dose of XBB vaccine at least 14 days prior to the start date.
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
