

Digital Content Creator - 1 position	Posting #: 52729
Communication & Public Affairs	Posting Date: March 25, 2024
Parkwood Institute Mental Health Care - London, ON	Submission Deadline: April 08, 2024
Full Time	Wade Baillie, Human Resources
Non-Union	

As a key member of the Communication and Public Affairs team at St. Joseph's Health Care London, the Digital Content Creator brings dynamic ideas and creative thinking to support strategic projects within our dynamic and multi-faceted organization.

From compelling visual storytelling through photography and videography to engaging still and animated graphics that bring data to life, the successful candidate will have a passion for identifying and developing creative content that captures the attention of our audiences. The Digital Content Creator will be responsible for enhancing the experience of our patient, residents, staff and physicians through print and digital graphic design, photography and videography.

With an ability to work independently and build strong professional relationships with clients across the organization, the Digital Content Creator thrives in a collaborative environment focused on innovative, creative and integrated storytelling across a multitude of communication platforms.

The Communication and Public Affairs team operates within a flexible work environment, with a combination of in-office and remote work days.

Essential Qualifications

- College Diploma in a related field (Graphic Design, Multimedia Design, Digital Communications, Interactive Media)
- Proficiency in videography, photography; print and digital graphic design; audio, digital, graphic and photo editing
- Proficiency in Adobe Creative Suite
