At no other time in history has health care mattered more to Canadians. At St. Joseph's Health Care London, we have a proud legacy of care across a wide variety of medical disciplines serving all ages and stages of life.

Supporting St. Joseph's mission, the Foundation raises philanthropic funds to advance the very best in care, teaching and research. With a strong focus on performance and best practice, and guided by a skilled Board and leadership team, St. Joseph's offers a positive, collaborative team environment and a competitive compensation program. The Foundation is seeking a positive, detail-oriented and organized Development Assistant to provide administrative support to its work to inspire community investment in healthcare excellence at St. Joseph's.

Reporting to the Chief Development and Communications Officer, the Development Assistant is responsible for providing administrative support to the work of the Chief Development and Communications Officer, the Campaign Director and the Development Team.

As a member of the Development Team, the Development Assistant is essential to the Foundation's current fundraising efforts and future initiatives and will administratively support to the meaningful and important work to match donor interest with St. Joseph's priorities in patient care, education and research. This includes the administrative needs associated with the Foundation's engagement of donors in the prescribed organizational standard as well as support for the onboarding, monitoring and closure of fundraising cases. Additionally, the Development Assistant will help proofread and edit correspondence, ensure documents are saved and filed according to file standards; respond to phone calls, emails, and any other requests promptly and courteously; schedule and organize meetings, including all logistics associated with those meetings; take, prepare, and distribute minutes, as necessary.

The Development Assistant works collaboratively across all teams within the Foundation to support its mission to inspire community investment in healthcare excellence at St. Joseph's.
