Parkwood Institute Mental Health Care - London, ON Submission Deadline: May 06, 2024

Part Time Andrew Harriman-Duke, Human Resources

UNIFOR

REPOSTED

The Geriatric Psychiatry Program has adopted the Psychosocial Rehabilitation and Recovery Model as its overarching philosophical framework. This philosophy is built on a set of principles and values that emphasize client and family involvement in decision making, client choice, the provision of a range of services to meet treatment, rehabilitation and support needs, it also includes a commitment from mental health services professionals to achieving the best possible outcomes for clients based on their stated preferences, wishes, desires and life plans.

Posting #: 52829

The Geriatric Psychiatry Program serves patients with severe and persistent mental illness with responsive behaviours and comorbid medical conditions. H2 (Behavioural Health Unit) provides consultation, assessment and treatment for persons with moderate to advanced dementia with responsive behaviours. G2 (Geriatric Mental Health unit) provides consultation, assessment and treatment for persons with severe and persistent mental illness.

It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer. The successful candidate is expected to provide flexibility to work all shifts as required.
