

Registered Nurse - 1 position

Posting #: 52967

Urgent Care Centre

Posting Date: April 22, 2024

St. Joseph's Hospital - London, ON

Submission Deadline: April 28, 2024

Temporary Full Time

Michelle Robertson, Human Resources

ONA

Temporary employment anticipated to extend until August 5, 2025, subject to the availability of work.

The Urgent Care Centre at St Joseph's Hospital is a fast paced, rapidly changing environment that serves people who experience urgent healthcare concerns. The application of the nursing process and collaboration with the healthcare team is the primary responsibility of nurses in the Urgent Care Centre to ensure the care needs of the patient are met. The RN in Urgent Care participates as a lead member on the Medical Emergency Response Team responding to the medical emergencies encountered at St. Joseph's Hospital Site.

#### Essential Qualifications

- Valid registration with the College of Nurses of Ontario
- Valid ACLS (in person)
- Valid PALS and/or ENPC (in person)
- Canadian Triage Acuity Scale (CTAS) Certification/Triage Trained
- Three years Emergency nursing experience within the last five years
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Ability and commitment to act as a supervisor under OHSA
- Demonstrated competency for patient assessment, planning and evaluating care interventions
- Demonstrated ability to function productively in a demanding work environment
- Demonstrated experience in processing referrals and accessing community resources
- Excellent organizational skills and ability to prioritize workload
- Excellent interpersonal and communication skills
- Demonstrated competency in I.V., Phlebotomy, EKG Interpretation, BDC drug administration and competency in medically delegated acts, eg. defibrillation and transcutaneous pacing

#### Preferred Qualifications

- Proficiency in French would be an asset
- BScN
- Non-violent Crisis Intervention course

#### Teaching and Research

- St Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St Joseph's you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

#### Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine (primary series, boosters and/or XBB) OR one dose of XBB vaccine at least 14 days prior to the start date.

- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

*Your interest in this opportunity is appreciated. Only those under consideration will be contacted.*
