

Registered Nurse, Cataract Suite - 1 position  
Cataract Suite  
St. Joseph's Hospital - London, ON  
Full Time  
ONA

Posting #: 52974  
Posting Date: April 22, 2024  
Submission Deadline: April 28, 2024  
Stacy Kearns, Human Resources

An exceptional opportunity has arisen for a Registered Nurse to join our inter-professional eye care team within the Cataract Suite of St. Joseph's Health Care London.

As an important member of the Cataract Suite team you will collaborate in providing care in our outpatient Cataract suite, a state of the art, purpose built ambulatory surgery day care unit where over 4000 patients and their families experience cataract surgery annually. The team of surgeons, anesthetists, nurses, clerical staff and anesthesia assistants work closely in this renowned ambulatory care suite providing high quality, compassionate outpatient surgical care while supporting our academic mandate via our Ophthalmology resident training program.

This position reports to the Coordinator of the Cataract Suite.

It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.

#### Essential Qualifications

- Valid registration with the College of Nurses of Ontario
- Valid CPR certificate
- Successful completion of the OR course within the last 5 years
- Operating room experience within the last 5 years
- Ophthalmology experience within past two years
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Demonstrated strong organizational skills and ability to prioritize workload in a fast-paced out-patient environment
- Excellent interpersonal and communication skills
- Demonstrated ability to work both independently & within a team environment
- Demonstrated expertise in decision making, critical thinking and clinical problem-solving
- Self-directed individual with leadership abilities

#### Preferred Qualifications

- Proficiency in French would be an asset
- Demonstrated IV skills, used within the past two years
- Two years of recent surgical daycare experience

#### Teaching and Research

- St Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St Joseph's you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

#### Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine (primary series, boosters and/or XBB) OR one dose of XBB vaccine at least 14 days prior to the start date.
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

*Your interest in this opportunity is appreciated. Only those under consideration will be contacted.*
