Submission Deadline: May 01, 2024
Bradley Dudley, Human Resources

We require a skilled PSWs to provide patient centered care with a rehabilitation focus to a diverse population of clients including the frail elderly and patients of all ages with a musculoskeletal diagnosis. Specialized Geriatric Services Inpatient Units include the: Musculoskeletal Rehabilitation Unit, Geriatric Rehabilitation Unit, and Amputee Unit.

The 30 bed Geriatric Rehabilitation Unit, 20 bed Musculoskeletal Unit, and 6 bed Amputee Unit are part of Specialized Geriatric Services. We provide comprehensive geriatric assessment and management as well as an intensive rehabilitation program. Our patients are typically admitted from acute care and participate in our program for approximately 10 days to 6 weeks. Upon discharge, our patients commonly return to independent living in the community.

The successful candidate may be required to work anywhere within the program and must be available for all shifts. It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.

Essential Qualifications

- Graduate of a recognized Personal Support Worker Certificate Program from an accredited education facility
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Demonstrated oral and written communication skills
- Excellent interpersonal, observation and assertiveness skills
- Ability to perform functions that require heavy lifting, bending, standing, walking, pushing, pulling
- Ability to assist with safe lifting, transferring and ambulation of patients
- Ability to work in a team environment

Preferred Qualifications

- Ontario Secondary School diploma or equivalent as recognized in Ontario
- Proficiency in French would be an asset
- One year experience in a rehabilitation setting
- Previous experience with caring for a geriatric population
- Working knowledge of computer systems
- Knowledge of hospital equipment

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine (primary series, boosters and/or XBB) OR

one dose of XBB vaccine at least 14 days prior to the start date.

- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated. Only those under consideration will be contacted.
