

Nurse Educator, Operating Room/Central Processing - 1 position

Posting #: 53190

Operating Room/Central Processing

Posting Date: July 04, 2024

St. Joseph's Hospital - London, ON

Submission Deadline: July 10, 2024

Full Time

Stacy Kearns, Human Resources

ONA

Salary Range: \$40.50 - \$57.81 /hour

****REPOSTED****

The Nurse Educator is responsible for the coordination of orientation and ongoing education for the Operating Room and Central Processing Department. In partnership with other Nurse Educators, you will also support the ongoing orientation and education plans of the Operating Rooms and Central Processing Department staff and support the development and maintenance of skills for members of the Operating Room and Central Processing Department. You will collaborate with the multi-disciplinary team and other clinical educator resources to design educational initiatives and programs to build professional, evidence-based practice and improve patient outcomes. As a member of the Organizational Development and Learning Services Team, you will act as a creative and supportive change agent in collaboration with leaders and teams.

Essential Qualifications

- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Current registration with the College of Nurses of Ontario
- Bachelor of Science in Nursing or related field
- Two (2) years recent Operating Room experience
- Demonstrated excellence in providing effective outcome-oriented performance coaching to individuals and groups following the principles of adult learning
- Demonstrated excellence in assessing learning needs and in the design and delivery of learning strategies
- Demonstrates expert critical thinking and problem solving
- Strong organizational, consultation and negotiation skills
- Evidence of continuous learning and use of literature in nursing practice
- Excellence in managing multiple projects
- Proven leadership abilities, initiative and self-directedness
- Excellent written and verbal communication skills
- Demonstrated ability to use SurgiNet
- Demonstrated computer skills including Excel, Word, PowerPoint and Groupwise
- Experience in supporting colleagues to manage change effectively

Preferred Qualifications

- Proficiency in French would be an asset.
- CPN (C)
- Certificate or Diploma in Adult Learning from an Accredited Educational Institution

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine and a written commitment to follow any future Public Health recommendations and St. Joseph's Health Care London policies and processes related to Covid management in the workplace
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis Skin testing

Your interest in this opportunity is appreciated.
