- Valid registration with the College of Nurses of Ontario
- Valid ACLS (in person)
- Valid PALS and/or ENPC (in person)
- Canadian Triage Acuity Scale (CTAS) Certification/Triage Trained
- Previous three (3) years Emergency nursing experience within the past five years
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Ability and commitment to act as a supervisor under OHSA
- Demonstrated competency for patient assessment, planning and evaluating care interventions.
- Demonstrated ability to function productively in a demanding work environment
- Demonstrated experience in processing referrals and accessing community resources
- Excellent organizational skills and ability to prioritize workload
- Excellent interpersonal and communication skills
- Demonstrated competency in I.V., Phlebotomy, EKG Interpretation, BDC drug administration and competency in medically delegated acts, eg. defibrillation and transcutaneous pacing

Preferred Qualifications

- Proficiency in French would be an asset
- BScN
- Non-violent Crisis Intervention course

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine (primary series, boosters and/or XBB) OR one dose of XBB vaccine at least 14 days prior to the start date.
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
Human Resources and Leaders use your profile information to evaluate your application for the vacancies you apply to.
Only those under consideration will be contacted.
