

Director, Facilities Planning & Engineering, Facilities Management - 1 position	Posting #: 53564
Facilities Management	Posting Date: July 25, 2024
St. Joseph's Hospital - London, ON	Submission Deadline: August 07, 2024
Full Time	Jennifer Pasichnyk, Human Resources
Non-Union	Salary Range: \$76.31 - \$89.74 /hour

The Director is responsible for the delivery of the multi-site, facility related planning and engineering services to support clinical care in healthy and safe environments to meet objectives put forth by the Senior Leadership Team via both Facilities Engineering and Facilities Planning teams. Maintain all buildings and associated assets/equipment to maximize their safety, quality standards, sustainability, fiscal performance and in alignment with the master capital plan; as well as preventative maintenance required organizational practices. Support safe, high quality offsite/rental agreements to ensure that off-site spaces offer the same environmental standards as within the hospital. Oversee the hospital accountabilities in the Design Build Finance Maintain (DBFM) project agreements. Ensure that all workplaces are designed to achieve safe, effective and efficient use of space by all stakeholders.
