

Physiotherapist, Rehabilitation Allied Health - 1 position	Posting #: 53765
Rehabilitation Allied Health	Posting Date: September 04, 2024
Parkwood Institute Main - London, ON	Submission Deadline: September 10, 2024
Regular Part Time	Michelle Robertson, Human Resources
OPSEU Paramed	Salary Range: \$40.36 - \$56.30 /hour

We are seeking a Physiotherapist to provide services for the Rehabilitation Program at Parkwood Institute. The candidate will primarily provide physiotherapy to NeuroTrauma Rehabilitation Services patients. NeuroTrauma Rehabilitation Services is a fee-for-service program which serves individuals 16 years of age and over who experience neurological trauma from accident or disease (examples include acquired brain injury, and spinal cord injury). Payers include motor vehicle insurance and WSIB. Services will be provided in accordance with the Employer's Standards for Business Conduct and all FSRA Licensing Regulations.

Essential Qualifications

- Valid registration with the College of Physiotherapists of Ontario
- Experience and demonstrated competency in establishing rehabilitation goals and in the implementation of strategies and protocols for goal attainment
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Demonstrated experience using a patient centered approach
- Capable of working independently as well as collaboratively within an interdisciplinary team setting as well as with case managers, insurance companies and attorneys
- Excellent interpersonal, organizational and strong communication skills, both written and verbal
- Proven flexibility and a high level of initiative
- Travel within the catchment area
- Familiarity with outcome measurement related to clinical practice
- Demonstrated ability to incorporate evidence based research into practice

Preferred Qualifications

- Proficiency in French would be an asset
- Minimum of 2 years full time related experience working in the area of automobile insurance and WSIB.
- Experience with vocational rehabilitation
- Knowledge of computer systems (e.g. workload measurement, Cerner, Outlook, Microsoft Office)
- Demonstrates initiatives with program development/improvement
- Demonstrated experience in both hospital and community service delivery
- Knowledge of and ability to mobilize community resources
- Assistive Devices Program (ADP) Authorizer
- Demonstrated ability to work with and direct support personnel
- Knowledge of gait retraining and vestibular therapy

Teaching and Research

- St Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine (primary series, boosters and/or XBB) OR one dose of XBB vaccine at least 14 days prior to the start date.
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
