St. Joseph's Health Care is willing to consider applicants who are eligible for Community Commitment Program for Nurses (CCPN). This program provides \$25,000 in grant funding to eligible RPNs in exchange for a two-year full-time commitment. To learn more about the Community Commitment Program for Nurses (CCPN), please visit [www.healthforceontario.ca/en/Home/All\\_Programs/Community\\_Commitment\\_Program\\_for\\_Nurses](http://www.healthforceontario.ca/en/Home/All_Programs/Community_Commitment_Program_for_Nurses).

Using the principles of client-centered care and psychosocial rehabilitation, within the context of an interdisciplinary team approach, the successful candidate will provide intensive comprehensive community support/rehabilitation/treatment to individuals with serious mental illness who require a specialized level of community mental health care.

#### Essential Qualifications

- Valid registration with the College of Nurses of Ontario
- Valid CPR certificate
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Well-developed assessment, consultative practice and evaluation skills in the care of clients with severe and persistent mental illness
- Good working knowledge of nursing principles, theory and legislation and of the nursing care needs of clients with severe and persistent mental illness
- Must be capable of establishing positive interpersonal relationships and able to work as an effective team member
- Demonstrated ability to apply and document the nursing process
- Ability to relate therapeutically with clients
- Demonstrated leadership in the initiation, coordination of, and participation in team/family conferences and clinical activities
- Excellent communication and interpersonal skills
- Excellent organizational, critical thinking and problem solving skills
- Experience in the development of teaching materials and the teaching of clients, family, and caregivers
- Travel within the catchment area is required

#### Preferred Qualifications

- Proficiency in French would be an asset
- Psychiatric mental health nursing certificate
- Experience working with clients with Schizophrenia and other related disorders

#### Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

### Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine (primary series, boosters and/or XBB) OR one dose of XBB vaccine at least 14 days prior to the start date.
