

Clerk, Patient Scheduling, Pre-Surgical Screening - 1 position	Posting #: 54029
Pre-Surgical Screening	Posting Date: October 30, 2024
St. Joseph's Hospital - London, ON	Submission Deadline: November 05, 2024
Regular Part Time	Stacy Kearns, Human Resources
Non-Union	Salary Range: \$28.26 - \$33.23 /hour

The Pre-Surgical Screening Unit is a specialized clinic that provides a streamlined approach to the preoperative assessment of patients requiring surgery. The clinic has up to 200 visits per week comprised of both in person and virtual calls between the hours of 0700 and 1800. The Patient Scheduling Clerk's role is to facilitate the flow of patients through the pre-admission program while working with interdisciplinary team members from the time a patient is booked for surgery and has pre-operative testing completed, through to the patient's admission to the hospital.

Essential Qualifications

- Secondary (High) School Diploma
- Medical office administration certificate
- Intermediate level in Microsoft Word and basic level in Microsoft Excel and experience using Outlook email system
- Accurate keyboarding and spelling skills
- Two to three years experience in a medical office environment
- Demonstrated high knowledge level of medical terminology
- Knowledge of a Safety Culture in a Health Care Setting in compliance with OHSA
- Experience with Cerner patient care system, preadmission and appointment scheduling processes
- Ability to effectively set priorities with effective time management skills in a fast-paced environment
- Experience dealing with the public in a dynamic environment
- Effective problem-solving and decision-making skills
- Strong customer service focus experience and the ability to work collegially with the Registered Nurses and Medical Secretaries

Preferred Qualifications

- Proficiency in French would be an asset
