

Registered Nurse, Adult Inpatient Mental Health Short Stay Stabilization Unit - G5 - 1 position	Posting #: 54066
Adult Inpatient Mental Health Short Stay Stabilization Unit - G5	Posting Date: November 07, 2024
Parkwood Institute Mental Health Care - London, ON	Submission Deadline: November 13, 2024
Job Share	Wade Baillie, Human Resources
ONA	Salary Range: \$39.07 - \$56.00 /hour

The Treatment and Rehabilitation program at Parkwood Institute provides specialized mental health care to individuals living with severe persistent mental illnesses on both an inpatient and outpatient basis. In addition to providing direct care to individuals living with mental illness, we are actively involved in the education of future clinicians and in advancing the research knowledge base. Our work is guided by a recovery- oriented philosophy of care as well as the utilization of treatment and rehabilitation interventions that are based on the best available evidence of their effectiveness to assist individuals in pursuing their life goals. We believe in supporting both the individual and their family/friends throughout their recovery journey.

Using the principles of client centered care within the context of an interdisciplinary team approach, the successful candidate will provide nursing care to clients who experience severe persistent mental illness.

It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.

Essential Qualifications

- Current registration with the College of Nurses of Ontario
- Valid CPR certificate
- In-depth knowledge of major mental illness from a biopsychosocial perspective
- Knowledge, skills, and recent experience providing assessment, treatment and rehabilitation of individuals with serious mental illness
- Demonstrated knowledge of and experience in applying the principles of psychosocial rehabilitation
- Knowledge of the Mental Health Act and other relevant legislation
- Must be capable of establishing positive interpersonal relationships and able to work as an effective team member
- Excellent communication and interpersonal skills
- Excellent organizational, critical thinking and problem solving skills
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA

Preferred Qualifications

- Proficiency in French would be an asset
- Experience in mental health
- BScN
- Certified/or in the process of completing courses toward the Canadian Psychiatry and Mental Health Certification

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and

research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine (primary series/boosters, XBB or KP.2) OR one dose of KP.2 vaccine at least 14 days prior to the start date.
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
