

Registered Practical Nurse, Rehabilitation - 1 position	Posting #: 54210
Rehabilitation	Posting Date: December 27, 2024
Parkwood Institute Main - London, ON	Submission Deadline: January 02, 2025
Job Share	Michelle Robertson, Human Resources
UNIFOR	Salary Range: \$36.67 - \$37.05 /hour

A challenging and exciting opportunity exists to work in a collaborative inter-professional environment delivering nursing care to rehabilitation patients in a specialized rehabilitation setting.

This is an ideal opportunity for an individual who wants to be on a team of rehabilitation practitioners who are considered leaders in the delivery of rehabilitation care and to actively participate in improving the outcomes of the patients we serve and to the health care system as a whole.

Using the principles of patient centered care and based upon the foundation of best practice, the successful applicant will be responsible for providing daily nursing care to the full scope of RPN accountability to individuals who have had a stroke, acquired brain injury, spinal cord injury, and/or behavioural rehabilitation patients.

It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.

Essential Qualifications

- Valid registration with the College of Nurses of Ontario
- Proficiency and experience in pharmacology and medication administration
- Valid CPR certificate
- Successful completion of a nursing competency test
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Must be capable of establishing positive interpersonal relationships and able to work as an effective team member
- Experience and knowledge of the nursing care needs of the rehabilitation patient
- Demonstrated ability to apply and document the nursing process
- Demonstrated knowledge of the principles of rehabilitation
- Demonstrated effective communication and interpersonal skills
- Demonstrated organizational skills
- Ability to apply effective body mechanics and meet the physical demands of the position

Preferred Qualifications

- Proficiency in French is considered an asset

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the COVID-19 vaccine (primary series/boosters, XBB or KP.2)
OR one dose of KP.2 vaccine at least 14 days prior to the start date.
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
