

Internationally Educated Applicant (SPEP Applicant), Professional Practice - 1 position	Posting #: 54215
Professional Practice	Posting Date: December 11, 2024
Parkwood Institute Main - London, ON	Submission Deadline: December 17, 2024
Temporary Regular Part Time	Bradley Dudley, Human Resources
Non-Union	Salary Range: \$20.60 - \$20.60 /hour

This is a temporary part-time position that is expected to extend until March 31, 2025, subject to the availability of work.

Through a patient and family-centered approach, the Supervised Practice Experience Partnership (SPEP) applicant will work under the direct and/or indirect supervision of registered staff, in collaboration with the interdisciplinary team as an unregulated care provider, to promote and advocate for wellness while ensuring the delivery of holistic, high quality and safe care to patients.

This is an exciting opportunity for Internationally Educated Applicants with approved eligibility through the College of Nurses of Ontario to demonstrate their evidence of practice and language proficiency. SPEP applicants will work at one of our five major sites.

Reporting to the Professional Practice Partnership Program, the SPEP applicant's hours will mirror those of the preceptor. The scheduling of these hours will be determined based on organizational needs and may include day/evening and weekend shifts.

Essential Qualifications

- Eligibility to participate verified by the College of Nurses of Ontario
- Current certificate in Basic Cardiac Life Support
- Ability to work independently in patient care areas with direct and indirect supervision from a nurse
- Demonstrated ability to be self-directed and the ability to work as part of a team
- Knowledge of a safety culture in a health care setting in compliance with the Occupational Health and Safety Act.
- Demonstrated problem-solving, organizational, and time-management skills
- Ability to apply effective body mechanics and lift and transfer skills to meet physical demands
- Effective communication skills and interpersonal skills
- Demonstrated flexibility and organizational skills

Teaching and Research

- St Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St Joseph's, you may be expected to engage in roles related to teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the COVID-19 vaccine and a written commitment to follow any future Public Health recommendations and St. Joseph's Health Care London policies and processes related to COVID management in the workplace.
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
