

Registered Nurse, Geriatric Ambulatory Access Office Team - 1 position	Posting #: 54261
Geriatric Ambulatory Access Office Team	Posting Date: January 04, 2025
Parkwood Institute Main - London, ON	Submission Deadline: January 10, 2025
Full Time	Bradley Dudley, Human Resources
ONA	Salary Range: \$39.07 - \$56.00 /hour

St. Joseph's Health Care is willing to consider applicants who are eligible for Community Commitment Program for Nurses (CCPN). This program provides \$25,000 in grant funding to eligible RPNs/RNs/ Nurse Practitioners in exchange for a two-year full-time commitment. To learn more about the Community Commitment Program for Nurses (CCPN), please visit www.healthforceontario.ca/en/Home/All_Programs/Community_Commitment_Program_for_Nurses.

The Registered Nurse with the Geriatric Ambulatory Access Team will be part of an exciting team that supports patients/family caregivers in accessing Community Geriatric Services through assessment and triage by telephone assessment in an office environment.

Essential Qualifications

- Current R.N. certificate of competence with the College of Nurses of Ontario
- Valid CPR certificate
- Previous relevant inpatient or community-based experience (examples: medical/surgical, inpatient geriatric care, Outreach)
- Two years recent experience in geriatric assessment (Including Geriatric Medicine and/or Geriatric Psychiatry)
- Excellent problem-solving skills and ability to prioritize in situations of varying degrees of complexity
- Ability to function as an independent practitioner and a highly effective team member
- Knowledge of how to mobilize community health resources and systems
- Ability to synthesis clinical information succinctly and accurately both written and verbally
- Exceptional verbal and written communication skills with a variety of community and organizational partners
- Demonstrated application of case management skills in complex clinical situations
- Knowledge of Quality Based Procedures relevant to rehabilitation
- Superior interpersonal and relationship building skills
- Ability to be flexible in the scheduling of work hours
- Exceptional computer skills
- Exceptional conflict management skills
- Demonstrated ability to use best practice and research
- Strong ability to think critically around clinical issues
- Strong ability to communicate/transfer clinical summaries successfully
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA

Preferred Qualifications

- BScN
- Experience with Cerner and Clinical Connect
- Knowledge of registration and scheduling

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide documentation you have received two doses of the Covid-19 vaccine (primary series/boosters, XBB or KP.2) OR one dose of KP.2 vaccine at least 14 days prior to the start date.
- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox)
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.

*Human Resources and Leaders use your profile information to evaluate your application for the vacancies you apply to.
Only those under consideration will be contacted.*
