St. Joseph's Hospital is a unique ambulatory hospital specializing in minimally invasive same day and short stay inpatient surgery.

21,000 surgeries are performed a year at St. Joseph's, with most patients going home the same day as their procedure. Our surgical programs and areas of service include: The Ivey Eye Institute (cataract, retina and corneal transplant surgery), St. Joseph's Breast Care Program (breast and reconstructive plastic surgery), The Roth McFarlane Hand and Upper Limb Centre (arthroscopic and arthroplasty surgery), St. Joseph's Urology Centre (laser and minimally invasive robotic surgery), Otolaryngology (ear, nose, throat, head, face and neck surgery), gynecological surgery, dental and general surgery.

The operating room is comprised of 10 operating rooms and lithotripsy suite. Current schedules include primarily 8 hour days and evening shifts with on-call coverage expectations for nights and weekends on a rotational basis. Schedules are subject to change.
