

Finance Business Consultant, Finance - 1 position	Posting #: 54662
Finance	Posting Date: March 20, 2025
St. Joseph's Hospital - London, ON	Submission Deadline: March 26, 2025
Full Time	Jennifer Pasichnyk, Human Resources
Non-Union	Salary Range: \$47.59 - \$56.00 /hour

Working as a member of the Finance team, the Business Consultant provides key leadership in the integration and enhancement of technology to support the Finance vision and strategic goals. The incumbent will be a driver of innovation, creativity and change using technology to shape and transform work within the Finance team and the clients we support.

As a Finance technology functional and business lead, the incumbent will be responsible for implementing and maintaining a variety of Finance systems including but not limited to General Ledger, Fixed Assets, Project Costing and Payroll. The incumbent will provide quality improvement, leadership and support within the Finance department consistent with strategic and operational standards and goals.

Working with both internal and external stakeholders, the Business Consultant will support the development of structures and processes to advance quality and improve system integration. The position also works with other internal Quality departments to provide education and training on quality improvement methodologies and other principles to advance the strategic goals of the department.

Essential Qualifications

- Bachelor's degree in business, Finance, Computer Science or Accounting with 3-5 years related and relevant experience
- In-depth knowledge of accounting processes and procedures and best practice business performance
- Systems and database architecture knowledge to enhance performance and improve processes
