

Physiotherapist, Complex Care - 1 position	Posting #: 54750
Complex Care	Posting Date: April 07, 2025
Parkwood Institute Main - London, ON	Submission Deadline: April 13, 2025
Full Time	Wade Baillie, Human Resources
OPSEU Paramed	Salary Range: \$40.36 - \$56.30 /hour

The Complex Care Program provides care to patients who require ongoing medical management as well as rehabilitation due to a major medical event, accident or illness. The program provides slow stream rehabilitation for individuals with complex and chronic medical conditions. Patients are admitted with the goal to transition to the community within three months.

The Complex Care Program also supports individuals who require specialized continuing care or palliative care. This includes patients requiring long-term mechanical ventilation. Individuals in this program receive residential care in a more appropriate setting to care for and manage their health, welfare and social needs. . Palliative care provides pain and symptom management and end of life care for patients with a life-limiting illness. Our interdisciplinary team provides a holistic and collaborative approach to care.

As a member of the Complex Care inter-professional team, you will demonstrate expertise in providing physiotherapy care and services, including assessment, treatment, discharge planning and community liaison for adult patients with complex, chronic illnesses,
