

Registered Practical Nurse, Specialized Geriatric Services - Inpatients - 1 position	Posting #: 54824
Specialized Geriatric Services - Inpatients	Posting Date: April 16, 2025
Parkwood Institute Main - London, ON	Submission Deadline: April 22, 2025
Full Time	Bradley Dudley, Human Resources
UNIFOR	Salary Range: \$38.80 - \$39.19 /hour

St. Joseph's Health Care is willing to consider applicants who are eligible for Community Commitment Program for Nurses (CCPN). This program provides \$25,000 in grant funding to eligible RN, RPN & Nurse Practitioners in exchange for a two-year full-time commitment. To learn more about the Community Commitment Program for Nurses (CCPN), please visit [www.healthforceontario.ca/en/Home/All\\_Programs/Community\\_Commitment\\_Program\\_for\\_Nurses](http://www.healthforceontario.ca/en/Home/All_Programs/Community_Commitment_Program_for_Nurses).

We require a skilled Registered Practical Nurse to provide patient centered care with a rehabilitation focus for a diverse population of clients including the frail elderly and patients of all ages with a musculoskeletal diagnosis. Specialized Geriatric Services includes the: Musculoskeletal Rehabilitation Unit, Geriatric Rehabilitation Unit, and Amputee Rehabilitation Unit.

The 30 bed Geriatric Rehabilitation Unit, 20 bed Musculoskeletal Unit, and 6 bed Amputee Unit are part of Specialized Geriatric Services. We provide comprehensive geriatric assessment and management as well as an intensive rehabilitation program. Our patients are typically admitted from acute care and participate in our program for approximately 10 days to 6 weeks. Upon discharge, our patients commonly return to independent living in the community. As an integral part of an expert health care team, this is an exciting opportunity for clinical learning and skill development.

The successful candidate may be required to work anywhere within the program and must be available for all shifts. It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.

#### Essential Qualifications

- Valid registration with the College of Nurses of Ontario
- Valid CPR certificate
- Proficiency and experience in pharmacology and medication administration
- Experience and knowledge of the care of patients requiring musculoskeletal rehabilitation and geriatric rehabilitation
- Ability to establish positive relationships with customers and to work as an effective team member
- Demonstrated ability to apply and document the nursing process
- Excellent organizational skills and problem solving skills
- Superior communication skills both written and verbal
- Ability to apply effective body mechanics and meet the physical demands of the position
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA

#### Preferred Qualifications

- Proficiency in French would be an asset
- Certification for phlebotomy and IV starts

#### Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

#### Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing
