

Registered Technologist, MRI, Medical Imaging - 1 position	Posting #: 54831
Medical Imaging	Posting Date: April 17, 2025
St. Joseph's Hospital - London, ON	Submission Deadline: April 23, 2025
Regular Part Time	Bradley Dudley, Human Resources
OPSEU Paramed	Salary Range: \$36.84 - \$51.77 /hour

In this role, the MRI technologist will be part of a dedicated group of technologists working closely with the MRI Charge Technologist and the Diagnostic Imaging team. They will be primarily responsible for delivering high-quality MRI services that meet the needs of our referring physicians and patients. Our team operates in a dynamic and fast-paced environment, performing a wide range of advanced MRI exams, including comprehensive imaging of the head, neck, spine, body, and cardiac regions, utilizing the latest 3D imaging, diffusion, and spectroscopy techniques.

Essential Qualifications

- Graduate of a recognized Magnetic Resonance Imaging program
- Successful completion of Canadian Certification Exam for MRI
- Current registration with the College of Medical Radiation and Imaging Technologists of Ontario
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Capable of performing the full spectrum of MRI procedures
- Excellent interpersonal and communication skills to effectively liaise with internal and external customers
- Strong organizational and problem-solving skills
- Ability to work independently as well as on a team

Preferred Qualifications

- Proficiency in French would be an asset.
- Two years recent experience as a Registered Technologist
- Certification to perform injections of contrast material

Teaching and Research

- St Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
