We are an integrated team that provides food and nutrition services to our patients and residents at all sites of St. Joseph's Health Care London. Our vision is to provide nutrition care that nourishes patients and residents, body, mind and spirit. We support our patients, community and the planet driven by our menu components which includes the patient voice, clinical requirements, budget, operations and sustainability. This is accomplished through our goals of increasing our local purchasing, growing fresh vegetables on site seasonally, composting and decreasing our food waste. Our departments operate within varying shifts from 6:00 AM to 8:00 PM, seven days a week.

We value teamwork and respect the contribution of all team members. Training and education opportunities are provided. We value excellence and strive to continually improve our services, food quality and safety. We take pride being an employer of choice in the food service industry.

It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.
