

Speech Pathologist - 1 position	Posting #: 55058
Rehabilitation Allied Health	Posting Date: May 27, 2025
Parkwood Institute Main - London, ON	Submission Deadline: June 02, 2025
Full Time	Michelle Robertson, Human Resources
Non-Union	Salary Range: \$53.51 - \$62.96 /hour

A challenging and exciting opportunity exists to work in a collaborative inter-professional environment delivering speech language services to rehabilitation patients in a specialized rehabilitation program.

The Speech Pathologist provides assessment and rehabilitation services, to individuals with speech, language, cognitive-communication, and swallowing disorders. The Speech Pathologist provides care that will assist and support individuals to meet their evident and anticipated needs, to promote health and to enhance well-being and quality of life.

This is an ideal opportunity for an individual who wants to be on a team of rehabilitation practitioners who are considered leaders in the delivery of rehabilitation care and to actively participate in improving the outcomes of the patients we serve and to the rehab care delivery system as a whole.

Using the principles of patient centered care, the successful applicant will be responsible for providing speech language pathology services to patients who have had an acquired brain injury, spinal cord injury or other neurological conditions. A focus on swallowing disorders as well as attaining optimal communication and supported conversation abilities that relate to fostering independence and a return to activities that are important to the patient are also key elements of the role.
