

Communicative Disorders Assistant, Rehabilitation - 1 position	Posting #: 55061
Rehabilitation	Posting Date: May 27, 2025
Parkwood Institute Main - London, ON	Submission Deadline: June 02, 2025
Full Time	Michelle Robertson, Human Resources
Non-Union	Salary Range: \$31.74 - \$37.35 /hour

The Communicative Disorders Assistant (CDA) will work in an adjunctive capacity as supportive personnel to a qualified Speech-Language Pathologist. The CDA will implement rehabilitation programming after the Speech-Language Pathologist has completed the assessment and determined the treatment plan.

Based on a thorough understanding of physiological and functional speech, language, cognitive-communication and hearing, the CDA will demonstrate programming skills and intervention techniques to evoke and sustain communication behaviours. In addition, the CDA is aware of vital behaviours and environmental factors that can potentially support or erode the efficacy of treatment. The current assignment is for the inpatient acquired brain injury and spinal cord injury program.

Essential Qualifications

- Diploma in a health-related field such as communication disorders, linguistics, human anatomy and physiology, social sciences, or human services.
- Post-Graduate Certificate as a Communicative Disorders Assistant, from an accredited college.
- Current Certificate of Registration with the Communicative Disorders Assistant Association of Canada (CDAAC)
- One-year clinical experience in adult neurorehabilitation
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Excellent communication (written and verbal), organizational, interpersonal and problem-solving skills
- Ability to establish work priorities and ensure deadlines are achieved
- Ability to resolve issues or to re-direct enquires to the appropriate resource to ensure the resolution of the issue
- Excellent written and oral communication skills
- Ability to diffuse situations involving conflict
- Demonstrated ability to work under pressure in a fast-paced environment.
- Demonstrated ability to offer and receive constructive feedback with fellow team members.
- Demonstrated self-awareness and an understanding of personal strengths and weaknesses in pursuit of continuous improvement
- Preferred Qualification
- Proficiency in French would be an asset
