

Pharmacist, Pharmacy - Prescription Shop - 1 position	Posting #: 55183
Pharmacy - Prescription Shop	Posting Date: June 17, 2025
St. Joseph's Hospital - London, ON	Submission Deadline: June 23, 2025
Regular Part Time	Andrew Harriman-Duke, Human Resources
Non-Union	Salary Range: \$57.10 - \$67.14 /hour

St. Joseph's Health Care London's Pharmacy Department provides care across all St. Joseph's sites: St. Joseph's Hospital, Mount Hope Centre for Long Term Care, Parkwood Institute Main Building and Finch Family Mental Health Care Building, and Southwest Centre for Forensic Mental Health. The Pharmacy Department also provides care directly to members of our community through the two Prescription Shop pharmacies. The Pharmacy Department welcomes learners year-round, including pharmacy technician students, pharmacist students, and a pharmacy resident.

Prescription Shop 1, located inside St. Joseph's Hospital, provides service to patients visiting the various ambulatory clinics at St. Joseph's Hospital, residents at Mount Hope Centre of Long-Term Care, hospital staff, and the general public. The broad patient population at Prescription Shop 1 creates a unique blend of pharmacy practice in a dynamic team environment.

Prescription Shop 2, located inside the Finch Family Mental Health Care Building, specializes in psychiatric medications, such as clozapine, and focuses on seamless transitions of care by processing mental health inpatient discharges and arranging blister packs to support medication adherence.

As a valued member of the interdisciplinary team, you will work together with patients, physicians, and other health care professionals to optimize patient outcomes by resolving drug therapy problems. Our pharmacists are responsible for medication distribution and involved in direct patient care, which may involve working as a clinical liaison with a long-term care facility, patient counselling, medication reviews, administering vaccinations, and prescribing for minor ailments.

#### Essential Qualifications

- Bachelors Degree in Pharmacy
- Minimum 2 years relevant and recent hospital or community pharmacy experience
- Part A licensed pharmacist in good standing with the Ontario College of Pharmacists
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Excellent oral, written and computer skills
- Ability and commitment to act as a supervisor under OHSA
- Display initiative
- Customer-focused approach
- Ability to resolve conflict
- Ability to offer and receive constructive feedback with team members

#### Preferred Qualifications

- Long-term care pharmacy experience, specifically with Point Click Care
- Proficiency in French would be an asset
- Graduate of an accredited Pharmacy Residency Program
- Proficiency with Kroll is an asset

#### Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

#### Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing
