

Pharmacist, Pharmacy Services - 1 position	Posting #: 55195
Pharmacy Services	Posting Date: June 20, 2025
St. Joseph's Hospital - London, ON	Submission Deadline: June 26, 2025
Temporary Full Time	Andrew Harriman-Duke, Human Resources
Non-Union	Salary Range: \$57.10 - \$67.14 /hour

This temporary assignment anticipated to extend to October 30, 2026, subject to the availability of work

St. Joseph's Health Care London's Pharmacy Department provides care across all St. Joseph's sites: St. Joseph's Hospital, Mount Hope Centre for Long Term Care, Parkwood Institute Main Building and Finch Family Mental Health Care Building, and Southwest Centre for Forensic Mental Health. The Pharmacy Department also provides care directly to members of our community through the two Prescription Shop pharmacies. The Pharmacy Department welcomes learners year-round, including pharmacy technician students, pharmacist students, and a pharmacy resident.

This position has primary responsibility as an ambulatory clinic pharmacist at St. Joseph's Hospital, which specializes in short-stay surgery and complex chronic disease management. Along with pharmacy distribution responsibilities, this pharmacist will collaborate with clinician partners to provide pharmaceutical care to patients in an ambulatory clinic and perioperative environment. Clinical responsibilities include but, are not limited to identifying and resolving drug therapy problems, participating in interdisciplinary rounds, patient teaching, and supporting the interprofessional health care team.

Please note: this position includes on-call coverage responsibilities.

Essential Qualifications

- Bachelors Degree in Pharmacy
- Minimum 2 years relevant and recent hospital or community pharmacy experience
- Part A licensed pharmacist in good standing with the Ontario College of Pharmacists
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Excellent oral, written and computer skills
- Ability and commitment to act as a supervisor under OHSA
- Display initiative and sound professional judgement
- Customer-focused approach
- Ability to resolve conflict
- Ability to offer and receive constructive feedback with team members

Preferred Qualifications

- Proficiency with Cerner/OneChart is an important asset
- Proficiency in French would be an asset
- Graduate of an accredited Pharmacy Residency Program

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties.

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing.

Your interest in this opportunity is appreciated.
