

Nurse Educator, Surgical Day Care Unit - 1 position	Posting #: 55218
Surgical Day Care Unit	Posting Date: July 02, 2025
St. Joseph's Hospital - London, ON	Submission Deadline: July 08, 2025
Temporary Full Time	Stacy Kearns, Human Resources
ONA	Salary Range: \$40.50 - \$57.81 /hour

****REPOSTED****

Full-time will be considered

Temporary position anticipated to extend until March 16, 2026, and is subject to the availability of work.

The Nurse Educator is responsible for the coordination of orientation and ongoing education for the Perioperative team. In partnership with other Nurse Educators, you will also support the ongoing orientation and education plans of regulated and non-regulated staff. This includes supporting the development and maintenance of skills for members of the Perioperative Team. You will collaborate with the multi-disciplinary team and other clinical educator resources to design educational initiatives and programs to build professional, evidence-based practice and improve patient outcomes. As a member of the Perioperative Team, you will act as a creative & supportive change agent in collaboration with leaders and teams.

Essential Qualifications

- Valid registration with the College of Nurses of Ontario
- Bachelor of Science in Nursing
- Two years recent surgical experience
- ACLS Certification (from Heart & Stroke)
- Demonstrated excellence in providing effective outcome-oriented performance coaching to individuals and groups following the principles of adult learning
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Demonstrated excellence in assessing learning needs and in the design and delivery of learning strategies
- Demonstrates expert critical thinking and problem solving
- Strong organizational, consultation and negotiation skills
- Evidence of continuous learning and use of literature in nursing practice
- Excellence in managing multiple projects
- Proven leadership abilities, initiative and self-directedness
- Excellent written and verbal communication skills
- Demonstrated ability to use PowerChart and HBO system
- Demonstrated computer skills including Excel, Word, PowerPoint and Microsoft Outlook

Preferred Qualifications

- Certificate or Diploma in Adult Learning from an Accredited Educational Institution
- Demonstrated IV skills, used within the past two years.

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and

research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
