

Pharmacist, Prescription Shop 1 - 1 position	Posting #: 55288
Prescription Shop 1	Posting Date: July 15, 2025
St. Joseph's Hospital - London, ON	Submission Deadline: July 21, 2025
Full Time	Andrew Harriman-Duke, Human Resources
Non-Union	Salary Range: \$57.10 - \$67.14 /hour

St. Joseph's Health Care London's Pharmacy Department provides care across all St. Joseph's sites: St. Joseph's Hospital, Mount Hope Centre for Long Term Care, Parkwood Institute Main Building and Finch Family Mental Health Care Building, and Southwest Centre for Forensic Mental Health. The Pharmacy Department also provides care directly to members of our community through the two Prescription Shop pharmacies located at St. Joseph's Hospital and the Finch Family Mental Health Care Building at Parkwood. The Pharmacy Department welcomes learners year-round, including pharmacy technician students, pharmacist students, and a pharmacy resident.

St. Joseph's is currently seeking a full-time pharmacist to join our dynamic community pharmacy team, with primary assignment at Prescription Shop 1. We offer a unique blend of hospital and community pharmacy, providing outpatient pharmacy services for patients visiting the various clinics at St. Joseph's Hospital, residents at Mount Hope Centre of Long-Term Care, hospital staff, and the general public. As a valued member of the interdisciplinary team, you will provide direct patient care to optimize drug therapy and resolve drug-related problems to improve patient outcomes. To be successful in this role, you will require excellent organizational and communication skills to become an integral part of this team, which focuses on providing outstanding customer service and patient care.

The successful candidate may be required to provide service at both community pharmacy locations. In addition to the essential qualifications listed below, experience with long term care is an important asset.

Essential Qualifications

- Part A licensed pharmacist in good standing with the Ontario College of Pharmacists
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Ability and commitment to act as a supervisor under OHSA
- Valid authorization to provide injections by the Ontario College of Pharmacists

Preferred Qualifications

- Proficiency in French would be an asset
- Minimum three (3) years retail pharmacy experience
- Knowledge of the Kroll system is an asset

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B,

COVID-19 and influenza.

- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
