****REPOSTED****

St. Joseph's Health Care is willing to consider applicants who are eligible for Community Commitment Program for Nurses (CCPN). This program provides \$25,000 in grant funding to eligible RPNs/RNs/ Nurse Practitioners in exchange for a two-year full-time commitment. To learn more about the Community Commitment Program for Nurses (CCPN), please visit www.healthforceontario.ca/en/Home/All_Programs/Community_Commitment_Program_for_Nurses.

We welcome new graduate applications through the NGG portal. Please ensure you register and apply through the portal for consideration: <https://www.nursescareerstart.health.gov.on.ca/Default.aspx> and apply to the St. Joseph's Job Posting.

The Mental Health Care Program at the Parkwood Institute serves patients with serious mental illness across the continuum. The Psychosocial Rehabilitation and Recovery Model is the foundation of our work, and is built on a set of principles and values that emphasize client and family involvement in decision making, client choice, the provision of a range of services to meet treatment, rehabilitation and support needs, it also includes a commitment from mental health services professionals to achieving the best possible outcomes for clients based on their stated preferences, wishes, desires and life plans. The populations we serve within our inpatient services include Dual Diagnosis, Geriatric as well as Assessment, Treatment and Rehabilitation Programs within the adult services.

The float pool will provide support across all the inpatient programs.

It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.
