

Occupational Therapist, Regional Rehabilitation Allied Health Posting #: 55757
- 1 position

Regional Rehabilitation Allied Health

Posting Date: October 20, 2025

Parkwood Institute Main - London, ON

Submission Deadline: October 26, 2025

Full Time

Michelle Robertson, Human Resources

OPSEU Paramed

Salary Range: \$40.36 - \$56.30 /hour

A challenging and exciting opportunity exists to work in a collaborative interprofessional environment delivering occupational therapy services to rehabilitation patients in a specialized rehabilitation setting. This is an ideal opportunity for an occupational therapist that wants to be part of a team of rehabilitation practitioners who are considered leaders in the delivery of rehabilitative care and to actively participate in improving the outcomes of the patients we serve and to the health care system as a whole.

The current assignment is for the inpatient spinal cord injury program. This position also may be assigned to, or provides coverage for, clinical areas within the Regional Rehabilitation Department which includes inpatient (spinal cord injury and acquired brain injury) and outpatient (spinal cord injury) programs.

It is understood that the hours of work reflect the current scheduling arrangements and are subject to change as determined by the Employer.

Essential Qualifications

- Current registration with the College of Occupational Therapists of Ontario
- Applicants must have a demonstrated knowledge base in the provision of service to neurological patients
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Excellent communication skills: both written and verbal
- Excellent organizational, time management, critical thinking and problem-solving skills
- Must be capable of establishing positive interpersonal relationships and able to work as an effective team member
- Demonstrated experience using a patient-centered approach
- Self-directed, self-motivated to accomplish specified outcomes
- Demonstrated commitment to evidence-based practice
- Knowledge of and ability to mobilize community resources
- Experience in the development of teaching materials and the teaching of clients, family, and caregivers
- Working knowledge and experience with theories and principles of guiding adult learning and patient self-management approaches
- Proven flexibility and a high level of initiative
- Familiarity with outcome measurement related to clinical practice
- Flexibility in adapting to varying caseload needs
- Knowledge of computer systems (e.g. workload measurement, Cerner, Outlook, Microsoft Office)
- Travel within the catchment area is required

Preferred Qualifications

- Proficiency in French would be an asset
- Assistive Devices Program (ADP) Authorizer
- Experience in wheelchair and seating assessment, intervention, and prescription
- Minimum of 2 years full time related experience as an Occupational Therapist

- Experience in both hospital and community service delivery
- Demonstrated interest and/or experience in program evaluation, quality improvement, and research
- Demonstrated ability to work with and direct support personnel

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps, rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
