- Demonstrated knowledge, skill and ability in the provision of services to the rehabilitation patient population including Musculoskeletal, Amputee and Geriatric patient populations
- Excellent communication skills: both written and verbal
- Excellent organizational, time management, critical thinking and problem-solving skills
- Must be capable of establishing positive interpersonal relationships and able to work as an effective team member
- Demonstrated experience using a patient-centered approach
- Self-directed and self-motivated to accomplish specified outcomes
- Demonstrated commitment to evidence-based practice
- Knowledge of and ability to mobilize community resources
- Experience in the development of teaching materials and the teaching of clients, family, and caregivers
- Working knowledge and experience with theories and principles of guiding adult learning and patient self-management approaches
- Proven flexibility and a high level of initiative
- Familiarity with outcome measurement related to clinical practice
- Flexibility in adapting to varying caseload needs
- Knowledge of computer systems (e.g. workload measurement, Cerner, Outlook, Microsoft Office)
- Knowledge/experience with assessing mobility devices
- Knowledge/experience of various funding opportunities

Preferred Qualifications

- Assistive Devices Program (ADP) Authorizer Minimum of 2 years full time related experience as an Occupational Therapist
- Experience in hospital setting
- Demonstrated ability to work with and direct support personnel
- Proficiency in French is considered an asset

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading

research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
