****REPOSTED****

Temporary position anticipated to extend until February 19, 2027, and is subject to the availability of work.

Parkwood Institute Mental Healthcare is an organization that provides specialized mental health care to individuals living with mental illnesses on both an inpatient and outpatient basis. In addition to providing direct care to individuals living with mental illness, the organization is also actively involved in the education of future clinicians and in advancing the research knowledge base. Our work is guided by a recovery- oriented philosophy of care as well as the utilization of treatment and rehabilitation interventions that are based on the best available evidence of their effectiveness to assist individuals in pursuing their life goals. We believe in supporting both the individual and their family/friends throughout their recovery journey.

Adult Ambulatory Services provides outpatient services to clients requiring tertiary level care. The successful candidate will have the opportunity to provide comprehensive support/rehabilitation/treatment to clients with serious mental illness using the principles of client centered care, within the context of an interdisciplinary team, frequently in conjunction with community partners.
