

Safety Consultant, Occupational Health & Safety Services - 1 position	Posting #: 56081
Occupational Health & Safety Services	Posting Date: January 13, 2026
St. Joseph's Hospital - London, ON	Submission Deadline: January 19, 2026
Temporary Full Time	Michelle Robertson, Human Resources
Non-Union	Salary Range: \$49.02 - \$57.68 /hour

Temporary employment anticipated to extend until August 20, 2027, subject to the availability of work.

As a member of the Occupational Health & Safety Services Team, the safety consultant ensures regulatory requirements are met, risk to the organization is reduced, and employee safety is maximized through the administration of the corporate safety programs. This role assesses organizational risk and develops/maintains corporate injury prevention programs to respond to risk. It provides oversight to the corporate systems used to manage/support corporate safety.

This role provides consultation and support to operational leaders and the Joint Health and Safety Committees (JHSCs) to ensure appropriate follow up actions are completed regarding adverse events. In addition, this role provides consultation/guidance to Environmental Services and Facilities leadership on environmental programs, regarding staff safety.

The safety consultant will coordinate and provide support to respond to Ministry of Labour, Immigration, Training and Skills Development (MLITSD) visits and orders and any JHSC recommendations.

Essential Qualifications

- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Bachelor's degree in Occupational Hygiene, Occupational Health & Safety, Applied Science or related field of study
- Canadian Registered Safety Professional Designation or Certified Health & Safety Consultant
