

Psychologist, Mental Health Care Program - 1 position	Posting #: 56268
Mental Health Care Program	Posting Date: March 20, 2026
Parkwood Institute Mental Health Care - London, ON	Submission Deadline: March 26, 2026
Full Time	Stacy Kearns, Human Resources
OPSEU Paramed	Salary Range: \$61.50 - \$79.75 /hour

An exciting opportunity exists to work in a collaborative inter-professional environment delivering clinical psychology services in one of the best academic health care organizations in Canada dedicated to helping people live to their fullest by minimizing the effects of injury, disease and disability through excellence in care, teaching and research.

This is an ideal opportunity for an individual who wants to work with high performing teams that are focused on rehabilitation and recovery of adults living with mental illness. In addition to improving the lives of individuals, the ideal candidate will advance knowledge and practice while informing program evaluation and health care system improvement.

Using the principles of patient centered care, psychosocial rehabilitation and recovery the successful applicant will be responsible for providing comprehensive patient care through:

Assessment of patients' psychological and behavioural needs, with diagnosis as appropriate provision of psychological interventions to reduce psychological or behavioural risk factors; providing treatment for psychological conditions contributing to program development, evaluation, quality improvement, research and academic mission.

The candidate will work across various programs at Parkwood Institute Mental Health, St. Josephs Health Care London, supported by psychologists colleagues and psychometrists to deliver timely access to care and treatment.

Essential Qualifications

- Valid registration as a psychologist at the doctoral level with the College of Psychologists of Ontario; authorized area of practice: Clinical Psychology; authorized client population: adults
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
