

Supervisor, Client Solutions - HMMS - 1 position	Posting #: 56358
HMMS	Posting Date: March 16, 2026
Healthcare Materials Management - London, ON	Submission Deadline: March 22, 2026
Full Time	Andrew Harriman-Duke, Human Resources
Non-Union	Salary Range: \$41.20 - \$48.49 /hour

HMMS is a joint venture between St. Joseph's Health Care, London and London Health Sciences Centre, that has been operating since 1997 providing consolidated functions of Sourcing, Contract Management, Purchasing, Accounts Payable, Logistics, Supply Chain Systems and Inventory Management for the London Hospitals and numerous healthcare organizations throughout Southwestern Ontario.

As a full-service supply chain organization, HMMS interacts with thousands of suppliers to provide an item catalogue of over 90,000 active items; notably ~5,000 that are stocked in our warehouse.

Reporting to the Manager, Client Solutions and Site Logistics, this position's key roles are operational performance and team leadership. The Supervisor position provides direction to staff to ensure the workload is appropriately balanced, operational goals are met and quality expectations are achieved. This involves the coordination of necessary training, access to the appropriate tools, proper orientation on departmental Standard Operating Procedures and performance and attendance management feedback.

This role creates an environment for the team to reach the departmental and organizational goals; proactively makes recommendations to achieve desired outcomes; where appropriate, reallocates resources to meet the needs of those we serve; and present stakeholders with options that make efficient and effective use of resources.

This position is responsible for assuring team performance is maximized as it pertains to organizational expectations; performance is monitored through a number of Key Performance Indicators related to servicing our stakeholders.

This role will oversee appropriate and timely resolution of escalated concerns, and will facilitate meeting with customers, suppliers and internal teams as required. In addition, the Supervisor will work with customer groups to identify service opportunities, resolve recurring pain points, and drive improvements in client solutions. This includes leading or participating in continuous improvement initiatives, analyzing trends and feedback to propose enhancements, and partnering with internal teams to implement solutions that align with client needs and organizational priorities. The successful candidate will act as a key liaison between the service team and customers, ensuring transparency, responsiveness, and a commitment to service excellence.
