

Occupational Therapist, Pain Management - 1 position	Posting #: 56372
Pain Management	Posting Date: March 18, 2026
St. Joseph's Hospital - London, ON	Submission Deadline: March 24, 2026
Regular Part Time	Michelle Robertson, Human Resources
OPSEU Paramed	Salary Range: \$40.36 - \$56.30 /hour

St. Joseph's Hospital continues to expand its role in the treatment of complex medical and chronic disease, illness prevention, research and education. Our ambulatory medicine teams specialize in the treatment of complex medical and chronic disease conditions with the goal of assisting individuals to reach optimal health and well-being. Our different teams work together to provide patients with comprehensive assessment, diagnosis, disease prevention and management strategies and follow-up care.

A challenging opportunity exists for a self-directed and independent Occupational Therapist in the Pain Management Clinic. The incumbent would be responsible for assessment and treatment of patients with chronic pain, with a consultative approach; patient education and recommendations for home programming; collaborating and liaising with an interdisciplinary team to provide holistic and patient centered care; and leading and facilitating patient education sessions.

Essential Qualifications

- Valid registration with the College of Occupational Therapists of Ontario
- Applicants must have a demonstrated knowledge base in the provision of service to adults who are experiencing chronic pain
- Excellent communication skills: both written and verbal
- Excellent organizational, time management, critical thinking and problem-solving skills
- Must be capable of establishing positive interpersonal relationships and able to work as an effective team member
- Demonstrated experience using a patient-centered approach
- Self-directed & self-motivated to accomplish specified outcomes
- Demonstrated commitment to evidence-based practice
- Knowledge of and ability to mobilize community resources
- Experience in the development of teaching materials and the teaching of clients, family, and caregivers
- Working knowledge and experience with theories and principles of guiding adult learning and patient self-management approaches
- Proven flexibility and a high level of initiative
- Familiarity with outcome measurement related to clinical practice
- Flexibility in adapting to varying caseload needs
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA

Preferred Qualifications

- Proficiency in French would be an asset.
- Assistive Devices Program (ADP) Authorizer
- Knowledge of computer systems (eg. workload measurement, Cerner, Microsoft Office)
- Minimum of 2 years full time related experience as an Occupational Therapist
- Experience in both hospital and community service delivery
- Demonstrated interest and/or experience in research communication and program evaluation
- Demonstrated ability to work with and direct support personnel
- Experience and comfort with virtual care

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
