

Dental Hygienist, Dental Services - 1 position	Posting #: 56540
Dental Services	Posting Date: April 23, 2026
St. Joseph's Hospital - London, ON	Submission Deadline: April 29, 2026
Full Time	Michelle Robertson, Human Resources
Non-Union	Salary Range: \$45.96 - \$54.06 /hour

The Dental Hygienist provides direct client care to dental patients and hospital residents and evaluates periodontal health and provides sanative and preventative treatment based on individual needs. The Dental Hygienist conducts initial patient screenings, cleans teeth, and advises patients on oral health and preventative care including preparing oral daily care plans. The Dental Hygienist participates in training and education regarding oral care procedures and products.

Essential Qualifications

- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Diploma in Dental Hygiene
- Valid registration with the College of Dental Hygienists of Ontario
- Minimum of 2 years' experience as a dental hygienist
- Demonstrated experience in the delivery of periodontal care including the formulation of periodontal treatment plans
- Demonstrated excellence in clinical care i.e. scaling, polishing, fluoride treatment, application of antimicrobial agents, radiographs and impressions
- Demonstrated knowledge of the periodontal disease process, contributing factors
- Remains up-to-date on clinical practice through attendance at conferences courses, certifications and dental hygiene meetings and associations
- Strong demonstrable critical thinking and problem solving
- Excellent interpersonal and communication skills
- Ability to work independently as well as in an interdisciplinary team
- Ability to provide education to patients, colleagues and other health care professionals
- Demonstrated self-awareness i.e., understanding of personal strengths and weakness

Preferred Qualifications

- Proficiency in French would be an asset
- Experience in geriatric setting (dental setting not mandatory i.e. volunteer work in nursing home)

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties
