

Spiritual Care Practitioner - 1 position	Posting #: 56626
Spiritual Care	Posting Date: May 07, 2026
Mount Hope Centre for Long Term Care - London, ON	Submission Deadline: May 13, 2026
Casual Part Time	Bradley Dudley, Human Resources
OPSEU Paramed	Salary Range: \$42.24 - \$53.28 /hour

At St. Joseph's Health Care London, we have built the foundation for the future of St. Joseph's Health Care -- a vibrant and outstanding organization recognized nationally for its work that will continue to lead the way in providing excellence in Veteran's care, ambulatory, long term/chronic, rehabilitation and mental health care.

The Spiritual Care Practitioner (SCPs) nurture the spiritual health and wholeness of patients, residents and families through all stages of life. SCPs support the spiritual, missional, and ethical focus of St. Joseph's through site-based spiritual emphasis, advocacy, special events and involvement in facility/committees, ensuring ethical reflection, spiritual care education and support of staff. The position provides linkages to community spiritual and religious partners in order to serve the needs of patients, residents and families.

The successful candidate may provide coverage at all St. Joseph's sites including a focus on Southwest Centre for Forensic Mental Health, St. Joseph's Hospital and possibly Mount Hope Centre for Long Term Care, and provide virtual care as needed. Additional work may be required on some weekends and holidays as well as ability to respond to requests as potential to be a part of the after-hours 24/7 on-call team

#### Essential Qualifications

- Completion of a Master's degree in Divinity, Religious, Theological, or Pastoral Studies, Spiritual Care and Psychotherapy
- Certification as a Certified Spiritual Care Practitioner and/or Certified Psychospiritual Therapist with the Canadian Association for Spiritual Care (CASC)
- Member in good standing with the Canadian Association for Spiritual Care (CASC)
- 3 years of spiritual care experience in mental health, acute care, ambulatory care, or long-term care settings
- Must be an experienced spiritual care practitioner ready to join a progressive spiritual care team based on your energy, flexibility, and vision for the future
- Must be a self-directed, professional, and eager to participate as a multi-disciplinary team member in meeting the spiritual needs of our patients, residents, families, and staff of all faiths
- Must possess team skills which will assist them in being a strong contributor in our interdisciplinary patient and resident-focused care model
- Exceptional technological skills including Smart Board Technology, audiovisual equipment and iPads as well as skills with Word, Excel, PowerPoint, Outlook, care documentation programs like Point Click Care, and One Chart
- Exceptional communication skills and conflict resolution
- Exceptional ability to establish positive relationships and work as an effective team member
- Must possess excellent facilitation skills in leading faith gatherings, spiritual groups and memorial services that are sensitive to spiritual and religious belief.
- Must be skilled in partnering with community spiritual and religious affiliates allowing for connection to clergy support, sacramental provision and rituals, and making appropriate connections to Indigenous supports
- Must have knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- A police record check completed within the last six (6) months from a Canadian Police Information Centre (CPIC), inclusive of vulnerable sector screening, will be required of the successful candidate

### Preferred Qualifications

- Membership as a Registered Psychotherapist in the College of Registered Psychotherapists of Ontario (CRPO) is preferred
- Experience in meeting the spiritual needs of patients in Forensic Mental Health, and virtual care settings is an asset.
- Proficiency in French would be an asset

### Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

### Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing
