

Registered Nurse, Clinical Investigation Unit and Osteoporosis Clinics - 1 position	Posting #: 57002
Clinical Investigation Unit and Osteoporosis Clinics	Posting Date: August 21, 2026
St. Joseph's Hospital - London, ON	Submission Deadline: August 27, 2026
Temporary Full Time	Michelle Robertson, Human Resources
ONA	Salary Range: \$41.15 - \$58.98 /hour

Temporary employment anticipated to extend until December 31, 2026, subject to the availability of work.

St. Joseph's Health Care London's Osteoporosis and Clinical Investigation Unit offer comprehensive patient care for patients living with chronic health conditions. The two programs bring together leading-edge care and research. While our researchers focus on innovation and discovery, our interdisciplinary team of care providers work to support our patients' goals and health care needs, providing a continuum of services to ensure optimal health and quality of life. The Registered Nurse works closely with the medical team to develop a care plan to support patient's needs. The Registered Nurse provides care coordination, system navigation, treatment planning and treatment for patients with bone disease and endocrine disorders.
