St. Joseph's Hospital - London, ON	Submission Deadline: November 02, 2026
Regular Part Time	Michelle Robertson, Human Resources
OPSEU Paramed	Salary Range: $38.80 - $54.52 /hour

REPOSTED

St. Joseph’s Health Care London is an academic centre of excellence and teaching facility committed to advancing patient care, education, and innovation in medical imaging. Our Ultrasound team performs a diverse range of specialized general ultrasound examinations, with particular expertise in musculoskeletal (MSK) and breast imaging. The Breast Care Program at our site provides comprehensive breast imaging, diagnostic, and surgical services, offering sonographers exposure to a highly specialized area of care.

We pride ourselves on embracing new technologies, advancing imaging practices, and fostering continued learning and professional growth. Sonographers work collaboratively with radiologists and other healthcare professionals in an environment that supports education, skill development, innovation, and excellence in patient care.

Essential Qualifications

- Current registration with the College of Medical Radiation and Imaging Technologists of Ontario with a specialty of Diagnostic Medical Sonographer (DMS)
- Diploma graduate of a recognized Medical Ultrasound Program OR a combination of experience and a certificate suitable to St. Joseph's Health Care
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Strong communication skills to effectively liaise with internal and external customers
- Ability to operate complex equipment
- Demonstrated initiative to achieve quality images
- Demonstrated customer service focus and ability to work as a team member
- Demonstrated adaptability as well as strong organizational skills to meet the changing needs of the area

Preferred Qualifications

- Sonography Canada CRGS credentialed membership
- Proficiency in French would be an asset

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B,

COVID-19 and influenza.

- Provide documentation of the Tuberculosis skin testing
