

Registered Pharmacy Technician - 1 position	Posting #: 57173
Pharmacy Services	Posting Date: September 30, 2026
St. Joseph's Hospital - London, ON	Submission Deadline: October 06, 2026
Job Share	Andrew Harriman-Duke, Human Resources
UNIFOR	Salary Range: \$35.94 - \$38.13 /hour

St. Joseph's Health Care London's Pharmacy Department provides care across all St. Joseph's sites: St. Joseph's Hospital, Mount Hope Centre for Long Term Care, Parkwood Institute Main Building and Finch Family Mental Health Care Building, and Southwest Centre for Forensic Mental Health. The Pharmacy Department also provides care directly to members of our community through the two Prescription Shop pharmacies located at St. Joseph's Hospital and the Finch Family Mental Health Care Building at Parkwood. The Pharmacy Department welcomes learners year-round, including pharmacy technician students, pharmacist students, and a pharmacy resident.

We are seeking a highly motivated Registered Pharmacy Technician to join the team supporting hospital medication distribution. In this position you will be responsible for technical tasks associated with medication dispensing, sterile and non-sterile compounding, as well as checking and approving the final release of products prior to administration to the patient. These activities are to be completed with particular focus on safety, accuracy and efficiency and must be in compliance with regulatory requirements, professional standards of practice, corporate policies, and practice guidelines.

Essential Qualifications

- Registered with the Ontario College of Pharmacists (OCP) as a Registered Pharmacy Technician
- Strong mathematical skills to accurately prepare, compound, and dispense medications
- Recent hospital or retail experience
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Excellent interpersonal and communication skills
- Strong organizational skills
- Ability to work independently as well as on a team
- Self-directed
- Health and physical condition consistent with heavy lifting, pushing, bending, walking, sitting, standing, and keyboarding

Preferred Qualifications

- Proficiency in French would be an asset
- Minimum two (2) years recent hospital pharmacy experience
- Previous computer experience, particularly with Cerner/Pharmnet pharmacy system

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B,

COVID-19 and influenza.

- Provide documentation of the Tuberculosis skin testing

Your interest in this opportunity is appreciated.
