Physiotherapist & Occupational Therapist, WSIB Specialty Clinic - 1 position	Posting #: 57321
WSIB Specialty Clinic	Posting Date: November 18, 2026
St. Joseph's Hospital - London, ON	Submission Deadline: November 24, 2026
Full Time	Bradley Dudley, Human Resources
OPSEU Paramed	Salary Range: $42.51 - $59.29 /hour

An exciting opportunity exists for an Occupational Therapist or Physiotherapist to work with a dynamic interdisciplinary team in the well-recognized Roth McFarlane Hand and Upper Limb Centre.

As a member of the Hand Therapy Clinic Team, the successful candidate will be a valued member caring for predominantly ambulatory patients with acute and/or complex musculoskeletal orthopedic conditions. Additionally, the candidate will also have opportunity to provide services for part of the WSIB specialty clinic team by conducting and will provide comprehensive assessments and treatment recommendations within the WSIB specialty clinic. Patients/workers in our programs present with conditions which include, but are not limited to tendon injuries/reconstructions, peripheral nerve injuries, fractures, and traumatic injuries to the upper extremity. In a supportive learning environment, the successful candidate would also participate in other opportunities such program development & evaluation, research activities, and student mentorship.
