Registered Nurse, Specialized Geriatric Services - Inpatient Units - 1 position	Posting #: 57367
Specialized Geriatric Services - Inpatient Units	Posting Date: November 17, 2026
Parkwood Institute Main - London, ON	Submission Deadline: November 23, 2026
Regular Part Time	Bradley Dudley, Human Resources
ONA	Salary Range: $41.15 - $58.98 /hour

We require a skilled registered nurse to provide patient centered care with a rehabilitation focus to a diverse population of clients including the frail elderly and patients of all ages with a musculoskeletal diagnosis. Specialized Geriatric Services Inpatient Units include the: Musculoskeletal Rehabilitation Unit, Geriatric Rehabilitation Unit, and Amputee Rehabilitation Unit.

The 30-bed Geriatric Rehabilitation Unit, 20 bed Musculoskeletal Unit, and 6 bed Amputee Unit are part of Specialized Geriatric Services. We provide comprehensive geriatric assessment and management as well as an intensive rehabilitation program. Our patients are typically admitted from acute care and participate in our program for approximately 10 days to 6 weeks. Upon discharge, our patients commonly return to independent living in the community.

The successful candidate may be required to work anywhere within the program and must be available for all shifts.

As an integral part of an expert health care team, this is an exciting opportunity for clinical learning and skill development.

Essential Qualifications

- Current R.N. certificate of competence with the College of Nurses of Ontario
- Valid CPR certificate
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Ability and commitment to act as a supervisor under OHSA
- Certification for phlebotomy and IV starts or willing to certify within three months of start date
- Experience and knowledge of the nursing care needs of geriatric patients requiring rehabilitation and patients requiring musculoskeletal rehabilitation
- Ability to establish positive relationships with customers and to work as an effective team member
- Ability to function autonomously and to adapt to constantly changing unpredictable situations, and varying workload
- Demonstrated ability to apply and document the nursing process
- Commitment to professional development
- Excellent organizational skills and problem-solving skills
- Superior communication skills both written and verbal
- Ability to apply effective body mechanics and meet the physical demands of the position

Preferred Qualifications

- Proficiency in French would be an asset
- Minimum of two (2) years nursing experience
- Experience with an acute adult medicine and / or orthopedic population
- Experience with and knowledge of the specialized care requirements of the geriatric population
- CNA Certification and/or enhanced learning in Gerontology
