Social Worker (BSW), Rehabilitation Allied Health - 1 position	Posting #: 57375
Rehabilitation Allied Health	Posting Date: November 26, 2026
Parkwood Institute Main - London, ON	Submission Deadline: December 02, 2026
Temporary Part Time	Michelle Robertson, Human Resources
OPSEU Paramed	Salary Range: $41.24 - $53.47 /hour

This is a temporary part-time position that is anticipated to extend until March 3, 2028, and is subject to the availability of work.

A challenging and exciting opportunity exists to work in a collaborative interprofessional environment delivering services to rehabilitation patients in a specialized rehabilitation setting. This is an ideal opportunity for a Social Worker that wants to be part of a team of rehabilitation practitioners who are considered leaders in the delivery of rehabilitative care and to actively participate in improving the outcomes of the patients we serve and to the health care system as a whole.

As a member of an interdisciplinary team, the Social Worker will be required to provide assessment, recommendations, consultation, counseling, group therapy, discharge planning and educational services. The Social Worker would be required to provide services to clients 16 years and over who, primarily, have experienced an acquired brain injury. Travel within the catchment area may be required.

Essential Qualifications

- Minimum 2 years of social work experience
- Valid registration with the Ontario College of Social Workers and Social Service Workers
- Knowledge of a Safety Culture in a Health Care Setting in compliance with the OHSA
- Knowledge of Mental Health Act, Health Care Consent Act, PHIPA and other relevant legislation
- Clinical experience in rehabilitation principles and practices related to neurologicalinjury
- Strong collaborative, communication, interpersonal, counseling and problem solving skills
- Experience with family counseling
- Demonstrated ability to assess psychological needs of patients
- Demonstrated expertise in treatment planning
- Demonstrated strength in written/verbal communication
- Ability to execute early problem and needs identification through professional assessments and skillful implementation of all planned social work interventions in cooperation with the patient, family and interdisciplinary team
- Demonstrated skills in providing education to patients, families, the health care team and the community
- Highly developed interpersonal and problem-solving skills as well as the ability to function effectively independently and within a team
- Excellent organizational, time management and communication
- Strong discharge planning skills

Preferred Qualifications

- In-depth knowledge of major mental illness from a biopsychosocial perspective and best practice treatment modalities (i.e. CBT and DBT)
- Demonstrated competency with group facilitation
- Strong crisis intervention, advocacy, conflict management and facilitation skills
- Proficiency in French would be an asset
- Masters of Social Work

- Minimum five years of clinical experience
- Previous experience in research an asset

Teaching and Research

- St. Joseph's Health Care London through its affiliation with Western University and Fanshawe College is a leading research and teaching hospital. As an employee of St. Joseph's, you will be expected to engage in role related teaching and research activities in addition to any of your clinical duties

Immunization Requirements

- Provide vaccination records or proof of immunity against measles, mumps rubella, varicella (chicken pox), Hepatitis B, COVID-19 and influenza.
- Provide documentation of the Tuberculosis skin testing
